

# LiveU Solo+

PROFESSIONAL **LIVE STREAMING**  
SOLUTION FOR ONLINE MEDIA

# LIVEU SOLO+

LiveU Solo+ is a professional-grade wireless video encoder offering one-touch streaming to Facebook Live, YouTube, and Twitch as well as other popular social media networks and online channels. The light and compact Solo+ is perfectly suited for any type of mobile use allowing you to stream live video from anywhere.

## **SIMPLE – STREAM DIRECTLY TO LEADING SOCIAL NETWORKS**

Just connect LiveU Solo+ to your camera, log into the web-based Solo portal to select your streaming destination and go live!

## **SUPER-RELIABLE – GO LIVE FROM ANYWHERE**

Solo+ combines up to six connections (2 internal cellular modems, 2 external cellular modems, WiFi and LAN) and leverages a unique video transmission method - LRT™. This allows you to deliver rock-solid content in practically every scenario – on the move and in remote or crowded locations.

## **VERSATILE – ENRICH YOUR LIVE CONTENT**

Solo+ can be connected to any professional camera with both SDI and HDMI options, allowing you to live stream video in full HD, going beyond smartphone quality.

# LIVEU SOLO+ TECHNICAL SPECIFICATIONS
