Solo **PRO** Connect

Unlock the full potential
of your Solo PRO!

Solo PRO Connect gives you everything you need to make the most of your LiveU Solo PRO live productions. Simplify your operations with tried and tested modems together with unlimited data plans, LRT™ subscription and LiveU managed SIM Cards. **No need to search for a carrier or modem anymore!**

RELIABLE & HASSLE-FREE

Choose the kit to suit your needs, Duo (two connections/modems) or Quattro (four connections/modems), and enjoy full peace of mind.

Compatible with Solo PRO, the Solo PRO Connect kits includes high performance LTE modems for robust streaming and optimal cellular connectivity.

The Quattro kit comes with the Solo Belt Pack and Y-Cables for greater ease of use.

UNLIMITED DATA AND LRT™

Once you have the kit, you can log into the Solo Portal to choose your region and activate your unlimited data plans with the LiveU Reliable Transport (LRT™) subscription (included).

Annual and monthly subscription options are both available. Enjoy reliable and resilient live streams by combining up to six IP connections (cellular, WiFi and Ethernet) into one strong connection.

Stream without fear of unexpected bills! Stay focused on the thing that matters, the live event, and captivate your audience for longer.

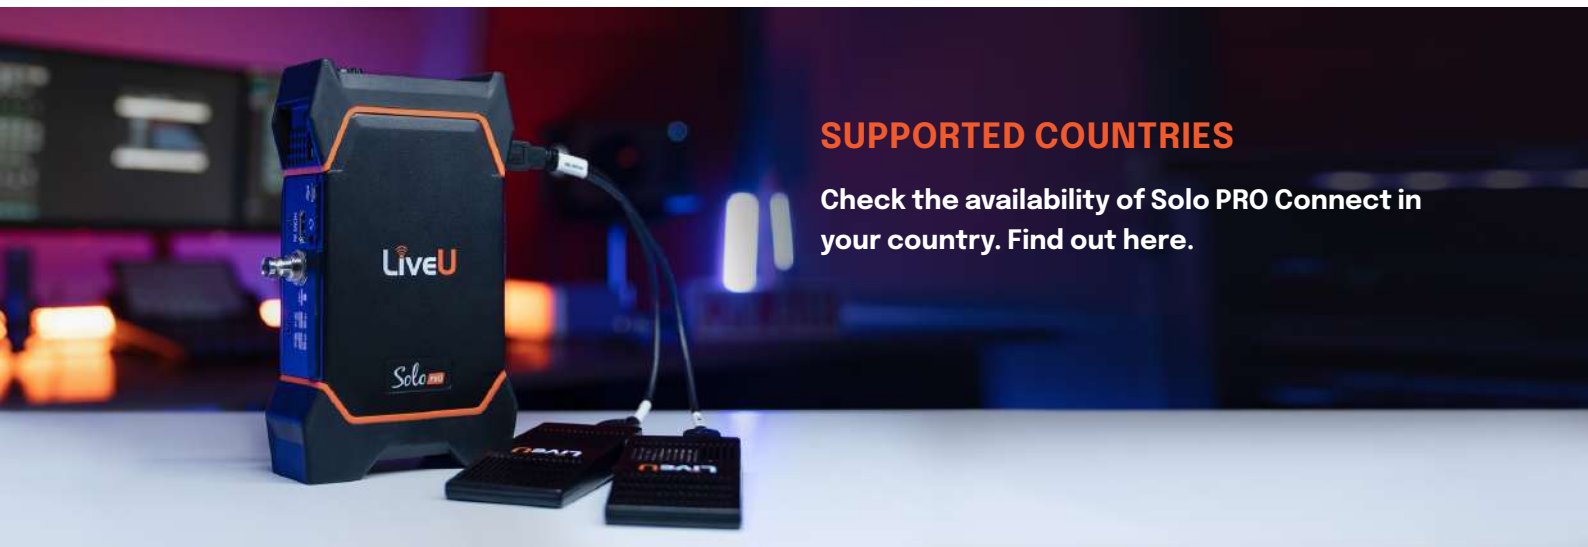

ROAMING MADE EASY

Solo PRO Connect simplifies the process of roaming by offering region-based data plans as well as a unique **Traveler Package** covering over 100 countries worldwide. With the ability to select the region for your data plan, you can seamlessly use your Solo device from more locations, eliminating the need to change SIM cards or data plans.

END-TO-END SUPPORT

Solo PRO Connect kits (modems, cables, and data plans) are part of LiveU Solo's lifetime support, letting you focus on what you do best – content creation.
